**INVITATION LETTER**

Dear .....

**Subject: National Conference on: Beneficial Microbes & Sustainable Crop Production**

The department of Agronomy, Faculty of Crop Production Sciences, The University of Agriculture Peshawar in collaboration with American Society of Microbiologists (ASM) has planned a two-day national conference on: **Beneficial Microbes & Sustainable Crop Production to be held on February 19-20, 2020**. It is a useful event for faculty especially young faculty and senior students (MSc, MPhil and PhD), Agriculture Extension Officers & Researchers to present their research work at this high-level forum at the beautiful campus of The University of Agriculture Peshawar.

It is therefore requested to inform all faculty members, students, agriculture extension officers and researchers of your department to participate in this useful event. The conference brochure and registration form are attached for wide circulation among your faculty members and students and notice boards. Your cooperation and positive action will be highly appreciated.

I am looking forward to having you join in the esteemed conference, please.

Thanks & Best Regards
