

GOVERNMENT OF PAKISTAN
THE PATENT OFFICE

Patent No: 143723

WHEREAS Prof. Dr. Bashir Ahmad; Dr. Javid Ali; Prof. Dr. Jehan Bakht, Vice Chancellor and Prof. Dr. Shumaila Rauf Prof. Dr. Abdul Naeem (whose legal address is National Centre of Excellence in Physical Chemistry, University of Peshawar, Pakistan, Pakistan); Prof. Dr. Bashir Ahmad, Center of Biotechnology and Microbiology, University of Peshawar, Khyber Pakhtunkhwa, Pakistan.

have declared that they are in possession of an invention for "A Process for Biosynthesis of Silver Nanoparticles from Seabuckthorn Leaves" and that the same is not in use in Pakistan by any other person to the best of his knowledge, information and belief;

AND WHEREAS, they have humbly prayed that a Patent might be granted to them for the said invention;

AND WHEREAS, they have by and in their complete specification (of which a printed copy is hereunto annexed) particularly described and ascertained the nature of the invention and the manner in which the same is to be performed.

The Federal Government is pleased to order by these presents that the above said petitioners (including his legal representatives and assigns or any of them) shall, subject to the provisions of the Patents Ordinance, 2000 as patentees, have the exclusive privilege of making, selling and using the invention throughout Pakistan, and of authorizing others so to do for the term of twenty years from the 26/07/2012, Subject to the condition that the validity of this patent is not guaranteed by Government and also provided that the fees prescribed for the continuation of this patent are duly paid.

In witness thereof the Federal Government has caused this patent to be sealed as on

06 MAR 2023

(Zubia Hassan)
Controller of Patents

Date of sealing: 06 MAR 2023

NOTE: Renewal fees will be due on this Patent, if it is to be maintained, by the 26th day of July 2016 and by the corresponding day in each year thereafter.
