**Meeting Proceedings:**

The meeting started with recitation of the Holy Quran by Dr. Yousaf Hayat.

Being convener of the committee, Prof Dr. Yousaf Hayat opened formal discussion with a brief overview of the previous series of meetings in the past. He in detail described the earlier process of technical assessment of the ICT component of TDC project and further said that the very tender was advertised for the third time.

Dr. Rizwan Ahmad emphasized on timely completion of the tendering process and award of the project to qualified bidder since the high ups were anxious for the process took so long.

The technical committee then scrutinizes and discussed every aspect of the tender keeping the umbrella of the TDC project in picture and recorded the following findings:
